

Warehousing and Logistics

Nelson's warehouses are more than big concrete boxes full of inventory. They are staffed with people who care about your order. Our warehouse professionals offer exemplary speed and accuracy

Delivery

- Our fleet of trucks accepts orders up to 8AM for same day delivery.

Special Order Handling

- Scheduled for future delivery.
- Held until complete.
- Held for your release.

Kitting and assembly.

- We do some light assembly and also outsource light assembly.
- We aggregate components into a standard, repeatable kit.

Counter Sales

- Modern sales counters with latest technology.
- Staffed by experienced employees.

Wire and cable cutting and paralleling.

Accuracy

- We strive for inventory accuracy.
- We continually work to improve our shipping accuracy.
- We invest in technology and processes.

Dedicated to providing the best in services and capabilities to our customers
